7.2 To review the Council's finances for the period 01/04/06 – 30/11/06

The Committee reviewed the Council's financial accounts for the period of 01/04/06 to the 30/11/06. Copies attached to the Minute Book.

7.3 To consider a precept for the financial period 01/04/07-31/03/08.

The clerk tabled a suggested budget (copy attached to the minute book) where he pointed out the need to continue to consider an employment contingency and setting aside a sum for the elections next year. It was agreed that the election costs should for this year supersede the requirement to put aside a sum for employment contingency. This was readily agreed. Consideration was also given to various works suggested by Councillor John Woolley in a written submission to the clerk. Unfortunately these items were not costed even with an approximate figure and as such the committee were unable to progress this matter.

7.4 Other matters referred to the Clerk.
